Dedication

This collection of prayers is dedicated to all Muslim households who have *for* one reason *or* the other, forget themselves. In their failure to remember Almighty Allah as: the procter and helper, they thus, seek assistance and associate partner with Allah. Similarly, the book is dedicated to millions of those who are unable to prayer or communicate with their Lord and Creator Allah (SWT).

اللَّهُمَّ اهْدِ قَوْمَنَا فَإِنَّهُمْ لَا يَعْلَمُونَ

“Allahumma Haadi qaomana fa Innahum la ya laamun”

"Oh Allah! Guide aright (all our deviated) households, *from* the departed threshold of Al-Islam, for they know not.

Admonition

To understand the spirit of religion and appreciate its value to life in all its ramifications someone should seek favour from His Creator Allah thus, prayer is the sword according to the Prophet (SAW). consequently, there must be a technique for the effective use of this tool i.e. Master key - prayer!

Hence, purification of body and soul is the only pre-requisite to closer relationship with Almighty Allah. This can be confirmed in the popular saying: purification is next to Godliness, both inward and outward. Similarly, purity itself is obligatory, for example, according to the Holy Quran, (Qur'an 2.222) that says:

"Surely Allah loves those who turn much to Him, and He loves those who purify themselves"

Devotional purification, according to Islam, is the purification of body and soul as well as garment. All these are necessary as a preparation for devotional worship in Islam.

In Islam, the prayer that a Muslim offers, either singly or congregationally to Allah, reflects the one single attitude of submission and closeness to Allah. Thus whatever is the state of Spiritual elevation of the supplicant, he must bear in mind that, he is the humble servant of Allah.

However, man's duty is to observe obligatory daily prayers and seek from Allah, who accepts his prayer (Q2: 186). The Merciful God never reject prayer, yet it may not be accepted in that very form in which we seek Allah. However, Allah in His infinite wisdom and mercy, He knows what is to be granted withheld for the supplicant or the faithful. Thus He is All knowing and All seeing.

Consequently, while praying one should approach Allah in a Spirit of perfect humility and deep trust. As this ensures unlimited mercies from the supreme being. Allah, also, enjoins our full consciousness whenever prayer is being offered. This can either be, by the supplicant or the faithful. In essence, concentration and hope are the necessary feelings the supplicant or the faithful should cultivate whenever prayer is being offered.

Foreword

In the name of Allah, The Munificent, The Merciful, The Subtle, The Irresistible. All praises are due for Allah, The Cherisher, The Fashioner and the Guardian of the world. It is His wish that this work should see the light of the day. Th purpose is to guide man onto the way of seeking for His assistance, favour, protection and guidance. This established in his accordance with His directive that **"Call onto Me, I shall (Surely) Answer you"** (Q: 186)

This collection has come at an appropriate time not only as a guide book for the conduct of **NADWAT** Society prayer sessions, but also as useful hints on series of prayers that can be used in supplication by individuals and both for private use and demands from Allah. It's uniqueness is not only on it's contents but the fact that the translation of all the prayers mentioned, are simultaneously, provided to enable its users utilize the content of the text for both devotion and supplication. Thus, this ensures, the user to indulge in it religiously. It thereby, become user friendly, most especially in prayer.

Furthermore, it is also a collection designed to raise the to conscientiousness of its users on: the essence, the attribute including the works of Allah as well as the Holy Prophet Muhammad as a messenger and apostle of Allah (SWT).

In essence, I sincerely recommend this Prayer Book without reservation to all and sundry. This is because, it is capable of moving us closer to Allah. Apart from this, it also re-awaken our consciousness. Furthermore, it is a "guided spices" that enable us seek assistance and blessings from Allah alone.

Finally May Allah's Mercies and Blessings continue to be on our noble Prophet Muhammad (SAW), his household, his companions, and all those who adhere strictly to his path paved by thim till eternity (Amin.)

HISTORICAL BACKGROUND OF THE SOCIETY

All Praises, (i.e. glorification) and adorations are due for Allah (SWT), The Creator and the Sustainer of the world. May the peace and the benediction of Allah be upon our leader, (the best of mankind) Prophet Muhammad (SAW). And may the peace and benediction of Allah be upon his household, companions and on all those *follow* his tenets till the day of reckoning. (Amin)

The Assembly of Muslim Household started precisely on Friday, the 7th of January 2000 on the University of Lagos Campus (Jaja Hall), where muslim students fellowship holds every Friday under the auspices of **Alhaji Abdur Rahman A. Lawal**.

In accordance with the Quranic injunctions that says “*invite to the way of Your Lord (Islam), with wisdom and fair preaching*” (Q16:125). The Assembly of Muslim Household that was a student affairs, metamorphosed into a full fledged Islamic Society with the translation of Assembly of Muslim Household into what its now known as, **NADWAT-UL-AHLI ISLAMIC SOCIETY OF NIGERIA**. It is in line with the above verse that on Sunday 22nd of October 2000, that the public lecture and first As-salaat of the society held at NO 12, Iwade Street, Isale-Eko, Lagos, with over seventy (70) people in attendance.

The numeric strength of people from all walks of life and avoidance of religious face off, necessitated the relocation from Isale Eko to Lagos City Hall, Lagos, on 1st of July 2001. It is our prayer that Allah will grant us our permanent place of worship very soon (Amin)

May Almighty, Allah the Subtle, Bestow on the members of the society His infinite mercy and facilitate their affairs for them in the right way! (Amin)

رَبَّنَا آتِنَا مِنْ لَدُنْكَ رَحْمَةً وَهَيِّئْ لَنَا مِنْ أَمْرِنَا رَشَدًا.

يَا رَبِّ هَيِّئْ لَنَا مِنْ أَمْرِنَا رَشَدًا

SURATYAA-SIN (Chapter 36)

In the Name of Allah the Most Gracious, the Most Merciful.

1. Ya-Sin.
These letters are one of the miracles of the Qur'an, and none but Allah (*Alone*) knows their meanings.
2. By the Qur'an, full of wisdom (*that is full of laws, evidences, and proofs*)
3. Truly, you (*Muhammad SAW*) are one of the Messengers,
4. On the Straight Path (*that is on Allahs religion of Islamic Monotheism*)
5. (*This is a Revelation*) sent down by the All-Mighty, the Most Merciful
6. In order that you may warn a people whose forefathers were not warned, so they are heedless.
7. Indeed the Word (*of punishment*) has proved true against most of them, so they will not believe.
8. Verily We have put on their necks iron collars reaching to the chins, so that their heads are raised up.
9. And We have put a barrier before them, and a barrier behind them, and We have covered them up, so that they cannot see.
10. It is the same to them whether you warn them or you w a r n them not, they will not believe.
11. You can only warn him who follows the Reminder (*the Qur'an*). and fears the Most Gracious (*Allah*) unseen. Bear you to such one the glad tidings of forgiveness, and a generous reward (*i.e. Paradise*).
12. Verily, We give life to the dead, and We record that which they send before (*them*), and their traces and all things We

- have recorded with numbers (as a record) in a Clear Book.
13. And put forward to them a similitude: the (story of the) dwellers of the town, it is said that the town was Antioch (antakiya), when, there came Messengers to them.
 14. When We sent to them two messengers, they denied them both; so we reinforced them with a third, and they said: "Verily we have been sent to you as Messengers.
 15. They (people of the town) said: "You are only human being like ourselves, and the Most Gracious (Allah) has revealed nothing. You are only telling lies."
 16. The Messengers said: "Our Lord knows that we have been sent as Messengers to you,
 17. "And our duty is only to convey plainly (the Message)."
 18. They (people) said: "For us, we see an evil omen from you: if you cease not, we will surely stone you, and a painful torment will touch you from us,"
 19. They (Messengers) said: "Your evil omens be with you! (Do you call it "evil omen") because you are admonished? Nay but you are a people Musrifun (transgressing all bounds by committing all kinds of great sins, and by disobeying Allah).
 20. And there came a man running from the farthest part of He town. He said: "O my people! Obey the Messengers.
 21. Obey those who ask no wages of you (for themselves), and who are rightly guided.
 22. "And why should I not worship Him (Allah Alone) Who has created me and to Whom you shall be returned.
 23. "Shall I take besides Him alihah (gods)? If the Most Gracious (Allah) intends me any harm, their intercession will be of no use for me whatsoever, nor can they save me?
 24. "Then verily, I should be in plain error.
 25. "Verily; I have believed in your Lord, so listen to Me!"
 26. It was said (to him when the disbelievers killed him): Enter Paradise. "He said: "Would that my people knew

27. "That my Lord (Allah) has forgiven me, and made me of the honoured ones!"
28. And We sent not against his people after him a host from the heaven, nor was it needful for Us to send (such a thing).
29. It was but one Saihah (shout) and lo! they (all) were still (in silent, dead, destroyed),
30. Alas for mankind! There never came a Messenger to them but they used to mock at him.
31. Do they not see how many of the generations We have destroyed before them? Verily, they will not return to them.
32. And surely, all- everyone of them will be brought before Us.
33. And a sign for them is the dead land. We give it life, and We bring forth from it grains, so that they eat thereof.
34. And We have made therein gardens of date-palms and grapes, and We have caused springs of water to gush forth therein
35. So that, they may eat of the fruit thereof - and their hands made it not. Will they not, then, give thanks?
36. Glory be to Him, Who has created all the pairs of that which the earth produces, as well as of their own (human) kind (male and female), and of that which they know not.
37. And a sign for them is the night. We withdraw therefrom the day, and behold, they are in darkness.
38. And the sun runs on its fixed course for a term (appointed). That is the Decree of the All-Mighty, the All Knowing
39. And the moon, We have measured for it mansions (to traverse), till it returns like the old dried curved date stalk.
40. It is not for the sun to overtake the moon, nor does the night outstrip the day. They all float, each in an orbit.
41. And an Ayah (sign) for them is that We bore their offspring in the laden ship of Nuh (Noah)
42. And We have created for them of the like there unto on which they ride.
43. And if We will, shall drown them, and there will be no shout

- (or helper) for them (to hear their cry for help), nor will they be saved.
44. Unless it be a mercy from Us, and as an enjoyment for a while.
45. And when it is said to them: "Beware of that which is before you (wordily torments), and that which is behind you (torments in the Hereafter), in order that you may receive Mercy (that is, If you believe in Allah's religion Islamic Monotheism, and avoid polytheism, and obey Allah with righteous deeds)."
46. And never came an Ayah from among the Ayat (proofs, evidences, verses, lessons, signs, revelations, etc.) of their Lord to them, but they did turn away from it.
47. And when it is said to them: "Spend of that with which Allah has provided you", those who disbelieve say to those who believe: "Shall we feed those whom, if Allah willed, He (Himself) would have fed? You are only in a plain error;"
48. And they say: "When will this promise (that is, Resurrection) be fulfilled, if you are truthful?"
49. They await only but a single Saihah (shout) which will seize them while they are disputing!
50. Then they will not be able to make bequest, nor they will return to their family,
51. And the Trumpet will be blown (that is, the second blowing) and behold from their graves they will come out quickly to their Lord.
52. They will say "Woe to us! Who has raised us up from our place of sleep". (It will be said to them): "This is what the Most Gracious (Allah) had promised, and the Messengers spoke truth!"
53. It will be but a single Saihah (shout),so behold they will all be brought up before Us! ﷻ
54. This Day (Day of Resurrection), none will be wronged in anything, nor will you be required anything except that which

you used to do.

55. Verily, the dwellers of Paradise, that Day, will be busy with joyful things.
56. They and their wives will be in pleasant shade, reclining on thrones.
57. They will have therein fruits of (of all kinds) and all that they ask for.
58. *(It will be said to them): Salam (peace be on you) a Word from the Lord (Allah), Most Merciful.*
59. *(It will be said): "And O you Mujrimun (criminals, polytheist, sinners, disbelievers in the Islamic Monotheism, wicked evil ones)! Get you apart this Day (from the believers).*
60. Did I not command you, O Children of Adam, that you should not worship Shaitan (Satan). Verily, he is a plain enemy to you.
61. And that you should worship Me *[Alone - Islamic Monotheism, and set up not rivals, associate-gods with Me]* That is the Straight Path.
62. And indeed he (Satan) did lead astray a great multitude of you Did you not, then, understand?
63. This is Hell which you were promised!
64. Burn therein this Day, for that you used to disbelieve.
65. This Day, We shall seal up their mouths, and their hands will speak to Us, and their legs will bear witness to what they used to earn. *(It is said that one's left thigh will be the first to bear their witness).*
66. And if it had been Our Will, We would surely have wiped out *(blinded)* their eyes, so that they would struggle for the Path, how then would they see?
67. And if it had been Our Will, We could have transformed them *(into animals or lifeless objects)* in their places. Then they would have been unable to go forward (move about) nor they could have turned back.
68. And he, whom We grant long life - We reverse him in creation (weakness after strength). Will they not then understand?

69. And We have not taught him (*Muhammad SAW*) poetry, nor is it suitable for him. This is only a Reminder and a plain Qur'an.
70. That he or it (*Muhammad SAW or the Qur'an*) may give warning to him who is living (a healthy minded - the believer), and that Word (charge) may be justified against the disbelievers (dead, as they reject the warnings).
71. Do they not see that We have created for them of what Our Hands have created the cattle, so that they are their owners.
72. And We have subdued them unto them so that some of them they have for riding and some they eat.
73. And they have (other) benefits from them, and they get (milk) to drink. Will they not then be grateful?
74. And they have taken besides Allah, alihah (gods), hoping that they might be helped (by those so-called gods).
75. They cannot help them, but they will be brought forward as a troop against those who worshipped them (at the time of Reckoning).
76. So, let not their speech, then, grieve you (O Muhammad SAW) Verily, We know what they conceal and what they reveal.
77. Does not man see that We have created him from Nutfah (mixed male and female sexual discharge -semen drops). Yet behold he (stands forth) as an open opponent.
78. And he puts forth for Us a parable, and forgets his own creation. He says: "Who will give life these bones after they are rotten and have become dust?"
79. Say: (O Muhammad) "He will give life to them Who created them for the first time! And He is the All-Knower of every creation!"
80. He Who produces for you fire out of the green tree, when behold you kindle therewith.
81. Is not He Who created the heavens and the earth, Able to create the like of them? Yes, indeed! He is the All Knowing Supreme Creator.
82. Verily, His command, when He intends a thing, is only that He says to it, "Be" -and it is!
83. So glorified is He and exalted above all that they ascribe with Him, and in whose Hand is the dominion of all things: and to Him you shall be returned.

**Surat Al- Waqi'ah (The Inevitable Event)
(Chapter 56)**

In the name of Allah the most gracious the most merciful.

1. When the Event (i.e the Day of resurrection) befalls.
2. And there can be no denial of its befalling.
3. Bringing low (some -those who will enter hell) Exalting (others-those who will enter paradise).
4. When the earth will be shaken with a terrible shake.
5. And the mountain will be powdered to dust,
6. So that they will become floating dust particles.
7. And you (all) will be in three groups.
8. So those on the Right Hand (i.e those who will be given their Records in their Right hands) - how (fortunate) will be those on the Right hand! (As a respect for them, because they will enter paradise).
9. And those on the Left Hand (i.e those who will be given their Record in their left Hands)- how (unfortunate) will be those on the Left Hand! (As a disgrace for them, because they will enter Hell).
10. And those foremost [(in Islamic Faith of Monotheism and in performing righteous deeds) in the life of this world on the very first call for to embrace Islam] will be foremost (in Paradise).
11. These will be the nearest (to Allah).
12. In the Garden of Delight (Paradise)
13. A multitude of those (foremost) will be from the first generations (who embraced Islam).
14. And a few of those (foremost) will be from the later generations
15. (They will be) on thrones woven with gold and precious

stones.

16. Reclining thereon, face to face.
17. Immortal boys will go around them (serving),
18. With cups, and jugs, and a glass of flowing wine.
19. Where from they will get neither any aching of the head, nor any intoxication.
20. And with fruit that they may choose.
21. And with the flesh of fowls that they desire.
22. And (there will be) Hur (fair females) with wide, lovely eyes (as wives for "Al-Muttaqun" -the pious-
23. Like unto preserved pearls.
24. A reward for what they used to do.
25. No Laghw (dirty, false evil vain talk) will they hear therein, nor any sinful speech (like backbiting).
26. But only the saving of: salam! Greetings with peace!
27. And those on the Right Hand-how (fortunate) will be those on the Right Hand?
28. (They will be) among thornless lote-trees,
29. And among Talh (Banana - trees) with fruits piled one above another,
30. And by shade long-extended,
31. And by water flowing constantly,
32. And fruit in plenty,
33. Whose supply is not cut off (By change of season), nor are they out of reach,
34. And on couches or thrones, raised high.
35. Verily, we have created them (maidens) of special creation.
36. And made them virgins.
37. Loving (their husbands only), (and)of equal age.
38. For those on the Right Hand.
39. A multitude of those (on the Right Hand) will be from the first generation (who embraced Islam).
40. And a multitude of those (on the Right Hand) will be from the later generations.

41. And those on the left hand-how (unfortunate) will be those on the **Left Hand**?
42. In fierce hot wind and boiling water,
43. And shadow of black smoke,
44. (That shadow) neither cool, nor (even) pleasant,
45. Verily, before that, they indulged in luxury,
46. And were persisting in great sin (joining partners in worship along with Allah, committing murder and other crimes).
47. And they used to say: "when we die and become dust and bones, shall we then indeed be resurrected?"
48. "And also our forefathers?"
49. Say (O Muhammed SAW): "(Yes) verily, those of old, and those of later times.
50. "All will surely be gathered together for appointed Meeting of a known Day.
51. "Then moreover, verily you the erring-ones, the deniers(Resurrection)!
52. "You verily will eat of the trees of zaqqum.
53. "Then you will fill your believes there with,
54. "And drink boiling water on top of it.
55. "And you will drink (that) like thirsty camels.!
56. That will be their entertainment on the **Day of Recompense!**
57. We created you: then why do you believed not?
58. Then tell Me (about) the (human) semen that you emit.
59. Is it you who create it (i.e. Make this semen into a perfect human being), or are We the creator?
60. We have decreed death to you all, and we are not outstripped.
61. To transfigure you and create you in (forms) that you know not.
62. And indeed, you have already known the first form of creation (i.e. The creation of Adam): why then do you not remember (or take heed)?
63. Then tell Me about the seed that you sow in the ground.

64. Is it you that make it grow, or are we the Grower?
65. Were it Our Will, we could crumble it to dry pieces, and you would be regretful(or left in wonderment).
66. (Saying): "we are indeed Mughramun (i.e. Ruined or have lost the money without any profit, or are punished by the loss of all that we spend for cultivation)!"
67. "Nay, but we are deprived!"
68. Then tell Me about the water that you drink.
69. Is it you who cause it from the rain-clouds to come down, or are we the causer of it to come down?
70. If we willed, We verily could make it salt (and undrinkable): why then do you not give thanks (to Allah)?
71. Then tell Me about the fire which you kindle.
72. Is it you who made the tree thereof to grow, or are we the Grower?
73. We have made it a Reminder (of the Hell-fire in the Hereafter), and an article of use for the travellers (and all the others, in this world),
74. Then glorify with praise the Name of your Lord, the Most Great.
75. So I swear by the setting of the stars.
76. And verily that is indeed a great oath, if you but know.
77. That (this) is indeed an honourable recitation (the Noble Qur'an).
78. In a Book well-guarded (with Allah in the heaven i.e Al-lauh Al-mahfuz).
79. Which (that Book with Allah) none can touch but the purified (i.e the Angels).
80. A Revelation (this Qur'an) from the Lord of the 'Alamin (mankind, jinn and all that exists).
81. Is it such a talk (this Qur'an) that you (disbelievers) deny?
82. And instead (of thanking Allah) for the provision He gives you, you deny (him by disbelief)!
83. Then why do you not (intervene) when (the soul of a dying person) reaches the throat? "

84. And you at the moment are looking on,
85. But we (i.e our Angels who take the soul) are nearer to Him than you, but you see not,
86. Then why do you not-if you are exempt from the reckoning and recompense (punishment).
87. Bring back the soul (to its body), if you are truthful?
88. Then, if He (the dying person) be of the Muqarrabun (those brought near to Allah),
89. (There is for him) rest and provision, and a Garden of Delights (paradise).
90. And if he (the dying person) be of those on the Right Hand.
91. Then there is safety and peace (from the punishment of Allah) for those on the right Hand.
92. But if he (the dying person) be of the denying (of the Resurrection), the erring (away from the Right Part of Islamic Monotheism),
93. Then for Him is an entertainment with boiling water.
94. And burning in Hell-fire.
95. Verily, this! This is an absolute Truth with certainty.
96. So glorify with praises the Name of your Lord, the Most Great.

Hizbu Sayfi

In the name of Allah the most Beneficient the Merciful

Oh Allah! You are Allah: the Sovereign, the Truth, the manifest the infinitely pre Existent. The One who solidify His might with greatness and magnificent. The Only One that will remain after everything must have perished. The Living, the self-subsisting, the Able the Dominant, the compiler, the Subdue, whose no deity is to be worshiped except You my Lord (Section A).*

I am your slave, I have committed evil and wronged my own soul. I confess all my sins, Forgive me all my sins verily none forgives sins except You. Oh the oft-forgiving! Oh the Appreciative! Oh the clement! Oh the Noble! Oh the patient! Oh the merciful.

Oh Allah! I praise You, You are praised (by all) and You are the Lord of praises, I thank You, for You are thankful (by all) and You are the Lord of thanks, this is because, You have Bestowed on me your desired favour and sent me beneficial excellent. And at the same time, You have entrusted me Your goodness and accommodated me with it, this is born out of good opinion You have about me Ditto, You did good to me every time, by waiving from me trials.

Similarly, You made me fortunate by granting my prayer request especially, when I call You humbly, sincerely and submissively. And also, when I commune with You silently, all this is done, in order to seek Your divine favour.

Consequently, by the time I hoped in (Your mercy), I easily and conveniently found You sufficient. Thus, I seek in You at all places anticipating Your succour (Oh Allah). Oh Almighty Allah! Be my Companion, because, You are: the Ever Present, the Hospitable, the Compassionate, the Kind (in all affairs), the Protector, the Victor, the Oft-Forgiving (of all sins and mistakes) and the over-looker of faults.

Oh Almighty Allah! If the above request are granted by You, surely, I will not be deprived of Your: Help, kindness, Goodness, Honour and of Your

clemence at all time. This is possible, because, You have given me the privilege of being in the house of the chosen one. And You have also given me the gift of intellect and rationality.

Hence, in the light of the above privileges granted by You towards me, You will thus, observe what I will put forward in the abode, this is because, it will be eternal, long lasting and enduring in company of the chosen ones.

Bearing in mind that, I am your humble slave (oh Allah) my Lord! Thus make me Your free captive, Oh my God! My Master save me from: (i) fire (ii) all afflictions, (iii) Ignorance, (iv) tribulations, (v) disasters, (vi) distresses, (vii) calamities and (viii) sorrows.

Which when it assails, cast into sadness with different kinds of trials and series of catastrophes of distress and predestination.

Oh my Lord! I do not remember anything in You, except goodness. And I do not seek anything from You, except Your favour. Thus, Your goodness to me is comprehensive and wonderful. Again, (Your) creation of me is perfect and Your benevolence to me is guaranteed. While Your kindness to me is overflowing, Your favour towards me is lasting and successive.

Moreover, Your blessing towards me is continuous. This is possible because, You did not debar my progress towards You. Therefore, You keep my mind at rest over my fears. You keep my mind at rest over my fears. This You achieve in me, by authenticating my hope in You. Hence, my yearnings are made into reality. For instance, You: (a) accompany me in my journeys (b) honour me in my residence © heal me of my ailments and (d) cure me of My discomfort. And above all, You made good my preparation journey of the hereafter.

On the other hand, You did not allow the enemies and the envious to make mockery of me. Otherwise, You pelted whoever pelted evil against me. In other words, You proved sufficient for me in everything, most especially, against those who made evil and enmity towards me.

Therefore, I am appealing to You Oh Almighty Allah! To wipe off from me: (i) the evil mechanisation of my enemies (ii) the transgressors (iii) and the evils of the antagonists.

Instead, shield me under the shield of Your Protection, Oh Lord, because You are the most generous of those who show generosity.

Oh Lord! Knowing fully well that, no slave of Yours is enemy...free! Therefore, distant me, between me and my enemies, like you distant the west and the North. Cast their eyes away from me, with the light of Your sacredness. Otherwise, strike their neck with the power of Your might. Cut off their neck with the power of Your singularity. Consequently! This is an indication of eminence of Your glory and the Power of Your subjugation. In the light of this, the enemies would be devastated and ruined completely.

Oh Lord! Shield us under your shield of protection this way, just as You have done and save Your Prophets from the evil plots (by their rejecters). And similarly, just as You have: (a) Protected Your chosen ones from the tyrants (b) cast away the eyes of the foes from Your friends © cut off the neck of those who want to capture Your free slaves. (D) destroyed the Pharaoh (e) ruined the Dajjal (anti Christ) for the fighters on Your cause who are very near to You and to Your faithful servants. (Oh! The Helper of the Help seekers, Help me over all my enemies (3 times).

As a matter of fact, my praise to you thus, will be continuous. Likewise, my extol for You will be successive and unending from time to time. Oh my Lord! This will be expressed with, and in different types of: (a) glorification (b) extollation © many forms of Language of praises and Eulogy and with (d) series of declaration of Your majesty above what they ascribe to You. In view of this, Your remembrance necessary and a reality. And as a result Your divine pleasure shall be sought with a plain and an ostensible praising and eulogy. And this implies, a purely sincere monotheistic belief and nearness to You and above all, the recognition of Your Unity.

However, with sincere and seamless devotion and glorification and rituals, Allah (S.W.T), answered the prayer of His servant this is because, this spiritual exercise serves as a searchlight to Allah's: (i) favour (ii) blessings and (iii) mercies among others. This is made possible because, Allah (SWT) is the only supreme being, ascribed with the singularistic power to either accept or reject one prayer. And this is

the essence and basic of monotheistic belief.

Consequently, no one helps You in Your majesty, neither can anyone be your associate in Your (godhead) as a matter of fact, it has never been known to You, that none or any of the existing things, quaintly or essence could either be likened unto You or be compared to You. Similarly, neither has anyone ever investigated why? And How? You kept hidden, the different things unknown to men. Nor, why? The delusive imagination of human intellect has never been able to uncover the veil of secrecy of Your essence.

Therefore, I have a total confidence in You as the praised one in the loftiness of Your grandeur. This is because, no extent of endeavour can catch Your essence, and no depth of human observation can explain Your essence. Likewise, no seer can see You in the greatness of Your omnipotence. The description of Your grandeur thus, surpasses any other greatness that has ever being remembered. Again it is certain that, nothing You desire to increase ever decreases.

Furthermore, apart from being the creator, no other being has the power/authority to create fellow being. This is because, no partner nor opponent was around when You created the souls. Thus, tongues have failed to explain Your essence. The human intellect has been incapacitated in explaining the essence of Your being and Your description.

In the light of this, Your essence of being, is beyond human description and intellect. This is because, You are Allah; and as such, You are: (i) the sovereign (ii) the compiler (iii) the sacrosanct (iv) the sempiternal (v) the Eternal (vi) the Everlasting (vii) the Endless and the continuous.

As a matter of fact, in secrecy, You are alone. You have no associate. There is none, except You, and there is no god but You. The deepest fathoms of human intellect is distressed in the ocean in explaining Your sovereignty.

Thus, Your name being a searchlight to all Your creatures and also being a sinequanon to any- grandeur glory, has therefore, compelled all kings and rulers to bow low with awe for Your Majesty and grandeur.

This is because, You are unalloyed with admirable might, just because, everything acknowledges Your grandeur. This explains why all necks are bowed down for You. And every explanation has failed to describe the essence of Your glory. Otherwise, tongues have sunk in discussing whoever meditates on Your magnificent form to Your magnanimous glory, the more one sinks into its depth and the more the eyes remained spurned in return. And the more; (a) the near sighted, (b) the intellect (c) and the thought are: (i) bewildered (ii) disillusioned (iii) and captivated.

Oh Allah! All praises are due to You continuously, endlessly and till eternity. All praises are to You: and on Your blessings that cannot go away in: (a) the land (b) the sea (c) the dusk (d) the dawn (e) the early afternoon nor (h) in the latter part of the night.

Oh Allah! To You is the praise in making me lucky to be saved and making me Your friend similarly I did not cease to remain protected from denial and rejection in overwhelming of Your favour and success of Your grace. Thus, I remain protected under Your blessings and warding off, of evils.

Oh Allah! Overly I praise You, because, You did not put on me unbearable burden. And You are not pleased with anything from me, except, what I am able to do to You (such as praise and worship). Hence, You are pleased with me, in whatever I can do in obedience and divine duty to You. Even, if it is more than my expectation or capacity.

Oh Allah! You are Allah whom nothing deserves to be worshipped except Him. This is true, since, nothing is hidden from You, not even a micro object can be lost from Your sight, into a fathom of secrecy anywhere. Therefore, Your order when You desire an affair, is for You to say, be and it will be.

Oh Allah! All praise is due to You in the quantity of what You praise Yourself in multiples of those who Praise You. Similarly, all glory belongs to You and even in multiples from those who: glorify You, extol You and magnify Your names. All these are manifest through the: (i) invocation of Your names (ii) faith in congregational unification of Your

name (ii) and through the shout of Your greatness (iv) and seeking of Your forgiveness.

Otherwise, what comes from Him alone (that is, Allah) and at every at every twinkling of any eye or even less would, except many: (a) praises of the praised (b) the glorifications of the glorified and sincere worshippers of the sanctifications of the supplicants who observe salat. All these, You have knowledge of, in, quantity. Thus, You are the glorified, and loved by all creature such as: animals, Human being and all other creatures, among others.

Oh my Lord! I appeal to You, with all the things You have owned; and with Your singularistic and indivisible whole, to please, grant my request and yearnings. And in return, I have the privilege and power to talk, and praise You. You also made me lucky and privilege to thank and glorify You. Most especially the greatness of Your promise and blessings towards me. This, coupled with increment of various, blessings and abundant favour You have bestowed on me. Thus, in return, You commanded me to be grateful to You as a right and equity. In effect, You promised me multiples of these in return. Furthermore, You bestowed on me surplus sustenance as a sign of pleasure and being the chosen one. In reciprocal, You asked me praises and thanks.

All praise is due to You, Oh Allah! Most especially on what You have done for me. For instance, You saved me from: evils, distress of trials, including depth of misfortunes. And above all, You did not entangle me with evils of predestination and trials. Instead, You healed me with Your mercy.

Similarly, You: (i) clothed me with health (ii) entrusted me with abundant wealth, (iii) provide me with ample sustenance (iv) showed me the easiest way (v) Multiply most of my blessings and (vi) enabled me reach the peak of my goals.

Furthermore, You promised me glad tidings of upstairs of

abode. You also chose me to be a follower of the great prophet in the messengership of Al-Islam. This great prophet, who is the best of them in intercession, the highest of them in ranks (that among other preceeding prophets), the nearest of them to Allah and the clearest of them in evidence. Our leader, Muhammad (s.a.w.) May the peace and blessings of Almighty Allah be upon: him, his households, his apostles and on his noble companions.

Thus, in the light of the honour position in which You place our noble Prophet on, both in rank, and in messengership; I therefore, appeal to You, Oh Almighty Allah! To please forgive me. Surely, nothing encompasses You, except Your forgiveness. Again, nothing obliterate You, except Your pardon. And Yet, nothing expiate You, except Your overlook and grace.

Therefore, give me: (i) this day of mine, (ii) this hour of mine (iii) this month of mine (iv) and this year of mine, the certainty, "the will" and "the truthfulness, that will make it easy for me to face the trials of this life and the hereafter. And also, the sorrow of both that will make me hope in what is with You. Ordain for me from Your forgiveness, so as to make me reach a height of glory. Also, make me to appreciate and praise You, for what You have showered on me. All these are possible because, verily You are Allah Whom nothing deserves to be worshipped except Him. This is because You are: the Single, the Unique, the Highest, the Originator, the Producer, the Reproducer and the Omniscient. No one, has resistance to Your ordinance or repudiate Your will.

In consequent, I bear witness that You are my Lord and the Lord of all things, You are the Creator of Heaven and the Earth, the Knower of the unseen, the Manifest, the Greatest, the Mighty and the High Exalted (Section 3 Sujund)

On the other hand, Oh Allah! I ask You to make me firm in decision, give me firmness and guidance, including appreciation on Your favour. Also, I ask You (for the best way) for the best divine supplication

towards You. In fact, I ask You, of everything good that you know, protection from all evil that You know. While, I also seek Your forgiveness from all the evil, that I have committed. Because, verily, You are the knower of all hidden.

I also, seek refuge in You: from (i) tyranny of the tyrant (ii) from evil mechanisations of every plotters (iii) from the aggression of every transgressors (iv) from the Magic of every sorcerer (v) from the rebellion of every rebel (vi) from the envy of every envious (vii) from the treacherous of every treacherous (viii) from the deception of every deceptor (ix) from the rebuke of every rebuker (x) from the trick of every trickster (xi) from the malicious pleasure of those who keep malice (xii) and victory over the mishaps that befall me (xiii) from the secret rancour of every rancourer and harbourer of secret resentment.

Oh Allah! It is through You, I leap on the enemies and their comrades. And it is in You, I hope for friendship of the beloved ones, because you are the intimate and the Kind. And so, all praise is due to You: (i) on what is immeasurable of Your special favour (ii) on Your familiar sustenance (iii) on Your support and gracious gift. (li) and on all other types of what You showered on me. - verily, you are Allah! Whom nothing deserves to be worshipped except He. You are the revealed, among all Your Creatures.

Thus, Your praise is overwhelmed with generosity of Your hand. Also, nobody can resist Your judgement and nobody can repudiate Your affairs in the Kingdom of Your Reulership. In effect, You can not be associated with any partner in Your Lordship. This is because, you cannot be scrambled for among Your creatures. As a result, You control whoever You want to control among Your creatures. Whereas, none of them can control You except whatever You wish (intention).

Oh Allah! Verily You are Allah! The shower of favours, the giver of blessings, the Able, the Prevailing, the Compiler, the Subduer, the Irresistible, the Sacrosanct, and the sanctified with glory. You great

yourself with mighty and exaltation. You cover Yourself with Majesty and Magnificence. You envelope Yourself in light and Brightness. You Appear in glory of dignity and splendor. To You belong: the gracious bestowal's of old age, the highest kingdom, the Great Sovereignty, the vast grace, the Complete Capability, the highest wisdom and All encompassing might. To You belong, all praise for making me part of the generation of Muhammad (SAW), and on his household. He is the best of the children of Adam (PBUH) whom You have showered with nobleness through their pious acts and He is above many of Your creatures in ranks.

Similarly, You also created me a complete being who hears, sees, agile, healthy, hefty and You did not occupy me with a defect in my body, which could debar my divine devotions towards You. Nor, did You debar me with a distress in my organs. Neither, did You debar me with disease in my mind nor in my intellect. And You did not deny me Your gracious gift, nor Your fine goodness and abundant gift and blessings towards me. In other words, You are the one that expanded for me sustenance in this world and raised me above the living men, both on the surface and in position.

Otherwise! You would not have made for me sense of hear, to hear Your signs (Quran). Likewise, You made for me, a sense of reasoning to understand Your faith. So also, you made for me, a sense of sight to see Your capabilities and a sense of reflection (mind) to reflect about Your magnificence. Moreover, You endow me a heart to harbor Your oneness.

You made for me a sense of hear to hear Your signs (Qur'an) and a sense of reasoning to understand Your faith and a sense of sight to see Your capabilities and a sense of reflection (mind) to reflect about Your Magnificence and a heart to harbor Your oneness.

In consequent, I bear witness to all Your endless blessings on me. Therefore, I am appreciative, grateful, both in self and in soul. And with

Your right on me in return. Thus, I am appealing to You, by bearing witness that "You were living before all other living and verily, "You will be living after all other living might have died." This is because, You are the Living that does not inherit mortality from a living soul.

Hence, Your goodness towards me has never stopped for once. And You have not disappointed my hope in You. And perhaps, You have not sent down any punishment of magnitude on me. Or have you changed from me, any bestowal of blessings neither, have You ever deny me a second of protection. As a matter of fact, I do not remember anything out of Your enormous blessings and goodness, except Your pardon on me.

In essence, I count my self being lucky since You respond to my prayer when I raised my voice in supplication towards You. Others include; Your glorification, Your Unification, Your magnificent, Your Remembrance, the invocation of Your greatness and Your magnificence.

Perhaps, I am convinced and do remember that, Your capability is increasing in me, when You made and perfected my form. And perhaps, in the distribution of my sustenance when You ordained for me, my share. Otherwise, there would have been in all these, what would disturb me in the brain in the process, or from my reflection of serving You.

Thus, how wonderful was it, when I thought of the gracious bestowal's which I live with, such as comfort. And yet, I have not attain the limit of thankfulness and appreciation in them.

It is in the light of this, that praise is be unto You, I, quantity of Your knowledge (over everything) - and in what Your pen had written down for Your creature. Certainly and perhaps, Your wisdom encompasses Your creature and creations. Including the quantity of what Your capability is surrounded with. Such as, multiplication of what You have ordained over all Your creatures.

Oh Allah! Verily, I am truly established in Your favour. Hence, perfect Your goodness on me, otherwise! Of what remani of my age? As you have been good to me in what has been spent of my age. I ask You all

these by Your mercy, because You are the best of those who show mercy.

Oh Allah! I ask and seek You with unalloyed praise the following: (i) Your remembrance, (ii) Your greatness, (iii) Your glorification (iv) Your perfection, (v) Your might, (vi) your splendour (vii) Your light (viii) and Your Compassion.

Oh Allah! verily; I apply my request fervently before You with; Your Uniqueness, Your splendor, Your Praise, Your Exultation, Your Greatness, Your Glorification, Your Completeness, Your Ability, Your Might, Your Sacredness, Your Light, Your Graciousness, Your Mercy, Your knowledge, Your Clemency, Your Exaltedness, Your Dignity, Your Superiority, Your Splendor, Your Kindness, Your Perfectness, Your Magnificence, Your Dominion, Your Omnipotence, Your Goodness, Your Strength, Your Comprehensiveness, Your Splendor, Your Proof, Your Forgiveness. And perhaps with the anointing love and honour you bestowed on Your Pious Prophet (Muhammad), Your friend, to please Forbid not for me the following: Your Support, Your Blessing, Your Comprehensiveness (of my being), Your Splendor, and advantage of Your Liberality towards me.

And in return, May the peace, benedictions, of Almighty Allah be showered on: Muhammad, his holy companions, his posterity and all his predecessors in the mantle of prophethood and mesangership.

Verily, the gifts and blessing You showers (on Your Creatures) shall never seized nor make You become broke or inadequate of your paise. This arises, because what You shower from Your blessing shall never reduce Your generosity, or Your continuous bounties. At the same time, Your showering of grace can not exhaust Your treasure of goods. Likewise, Your benefaction, indemnity and magnanimous grace shall never affect Your generosity while, You do not fear of want, Your treasure is however undated. Verily, You are able over all things. Therefore, You are worthy of answering the call of Your Servant whenever You are called upon.

In the light of the above grace, wonders, might, Power glory, miracles,

among others, in both Your name and essence. I therefore, appeal to You, Oh Allah! To please grant me the following: (i) a humble, obedient and submissive heart (ii) a weeping eye (in reflection of Your blessing) (iii) a healthy and preserving body (iv) a true certainty that will be accompanied by the truth (v) a sincere repentance (vi) a remembering and unending thankful tongue (vii) a sound faith (viii) an abundant and genuine sustenance (ix) a virtuous offspring (x) a faithful and suitable friend (xi) a long and well long age to be spent in righteousness and sincere devotion (xii) a virtuous behavior (xiii) an accepted deed (xiv) an acceptable repentance (xv) a high exalted rank (xvi) a pious husband (xvii) and a pious and obedient wife.

Oh Allah! Do not make me forget Your remembrance. Do not entrust me to none other than Yourself, Do make me rest assured of Your tickery: Do not uncover for me Your Concealment (of my transgression). Do not make me despondent of Your mercy, Do not distant me from Your presence. Do protect me, from Your wrath and rage. Do not despair me from Your mercy and from Your refreshment, And be for me an intimate friend.

In the Name of Allah the Compassionate the Merciful

Oh! Allah! Oh! the Great, Oh! the All Hearing, Oh! the All Seeing. Oh!
He who has no partner with him and Oh! the Creator of the sun and
the bright moon! and Oh! the Protector of the wretched, the terror-
stricken and Seeker of protection, Oh! Sustainer of the infant, and
Oh! setter of the broken bonds, I supplicate to You the supplication of
the wretched and the poor, and the distressed blind. I ask You by the
Exalted places of Your Throne and by the keys of Mercy of Your Book,
and by the eight names written on the top of the rising sun, (I ask You
to make the Quran the spring of my heart and the dispeller of my
grief. Oh! our Lord! (Bring your intention fore) Oh! Friend of every
friendless, and Companion of every lonely one, and Oh! who is
Nearer and not Distant, Oh! who is Present and not Absent, Oh! the
Dominant who shall never be Dominated, Oh! Ever-Living and the
Eternal, Oh! Possessor of Glory and Honour, Oh! the Light of the

heaven's and earth, Oh! the Great Director of the heaven's and the earth, Oh! the Originator of the heavens and the earth! Oh! the Setter of the heaven and the earth. Oh! Possessor of, Glory and Honour! Oh! the Listener of the cry of those who call for help and the Last Resort of the refuge seekers, Oh! Dispeller of the distressed and Redresser of the sorrow stricken, and the Hearer of the supplication of the hard pressed and the Remover of the distresses, Oh! Lord of the worlds! and Merciful of the Merciful! all needs are before You. Oh! Allah, do not leave for us any sin without forgiving it, nor any distress without relieving it, nor any debt without settling it, nor any sick without curing him nor any other need of this world and hereafter without fulfilling it; Oh! the Best of the Merciful ones.

وَعَاوُ الْإِسْتِغَاثَةَ

فِيَا مَانِحَ الْ—— طَلَّابِ كُلِّ عَطِيَّةٍ
إِذَا رَفَعُوا صَفْرَ الْيَدَيْنِ بِإِذْعَانِ

تَنَزَّهْتَ فِي ذَاتٍ وَوَصَفٍ عَنِ السَّوَى
بِلَا شُبْهِ تُعْطِي وَتَقْضِي بِحَرَمَانِ

قَدِيمٍ مِنَ الْأَزَالِ حَقٌّ لَكَ الْ—— بَقَا
فَلَيْسَ عَلَى غَيْرِ سِوَاكَ تُكْلَانِ

بِقُدْرَتِ الْ—— كَ الْعُلْيَا دَامَ اسْتِنَادُنَا
بِفَضْلِكَ يَا مِفْضَالُ تَهْدِي لِحَيْرَانِ

بُورِكَ يَا اللَّهَ أَدْعُوكَ جَهْرَةً
وَبِالْمُصْطَفَى مُنْجِي الْأَسِيرِ مَعَ الْعَانِي

إِلَيْكَ تَوَسَّلْنَا بِ—— هِ وَهُوَ ذُخْرُنَا
كَذَابُجُومِ الْآلِ إِكْلِيلُ تِي—— جَانِ

فِيَا رَبِّ وَفَّقْنَا لِمَا لَخْلَاصِ نِيَّةٍ
بِقَ—— وُلٍ وَفِعْلٍ وَاخْتِمَنَ بِإِيمَانِ
